

## **PROPERTY HISTORY OF 880 WEST PEACHTREE STREET, NW**

Pope & Land bought 880 West Peachtree in 2004, which was at the time solely occupied by Drew Eckl & Farnham Law Firm. This purchase was intended to be a three-year hold, and ended up turning into a 10-year hold, with Drew Eckl & Farnham extending their lease until the market improved. The property was sold in 2016 to Developer Trammell Crow Residential for their proposed Alexan 880 project, which would include 356 4-Star apartments in a high-rise structure.
